Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. He showed this so very effectively that in all of Grecian history there was never a temple to Ares built on Grecian soil, and no temple to Aphrodite was built by the Greeks themselves, though there were temples in Greece to the Eastern Love Goddess built by and for Eastern people residing there. Until danger of attack by the East was past, and until the East had been conquered by Greeks, it would be impossible that Eastern influence should become strong in...
