Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published e book. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

iUniverse, United States, 2007. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Thomas Aquinas Tam Maloney, a talented but troubled portrait artist, is a man on the run-from a failed marriage, a series of petty crimes, and from himself. When he meets a Tennessee waitress named Madison Monroe, he thinks he s just taking on an attractive travel companion. Tam has no way of knowing that he s about to embark on an amazing, life-altering journey that could ultimately lead him to personal redemption. While stranded in the path of a deadly hurricane headed for St. Bartholomew, Florida, Tam creates a collage of twelve small frames painted on a single canvas. Each frame reveals a very personal experience, such as reuniting with the father who abandoned him and dancing in the spectral light at a rainbow s end. He also paints images of people he s met, including Madison and a Montgomery, Alabama, lawyer whose life is intertwined with Rosa Parks. But how did Tam get to this point-utterly alone and facing one of nature s deadliest forces? Author Jim Accardi, eloquent in his thoughtful observation, creates an atmosphere that is rich and illustrative. He carefully and cleverly guides us through Tam s circuitous and tangled path as he pursues either his destiny or possibly just the consequences of his own choices.
