## THE EXTREMELY INCONVENIENT ADVENTURES OF BRONTE METTLESTONE

[DOWNLOAD](#)

A&U Children's, 2017. Hardback. Condition: New. I was ten years old when my parents were killed by pirates. This did not bother me as much as you might think - I hardly knew my parents. Bronte Mettlestone's parents ran away to have adventures when she was a baby, leaving her to be raised by her Aunt Isabelle and the Butler. She's had a perfectly pleasant childhood of afternoon teas and riding lessons - and no adventures, thank you very much. But Bronte's parents have left extremely detailed (and bossy) instructions for Bronte in their will. The instructions must be followed to the letter, or disaster will befall Bronte's home. She is to travel the kingdoms and empires, perfectly alone, delivering special gifts to her ten other aunts. There is a farmer aunt who owns an orange orchard and a veterinarian aunt who specialises in dragon care, a pair of aunts who captain a cruise ship together and a former rockstar aunt who is now the reigning monarch of a small kingdom. Now, armed with only her parents' instructions, a chest full of strange gifts and her own strong will, Bronte must journey forth to face dragons, Chief Detectives and pirates - and the gathering suspicion that there might be something more to her extremely inconvenient quest than meets the eye. From the award-winning Jaclyn Moriarty comes a fantastic tale of high intrigue, grand adventure and an abundance of aunts. 'An absolute sparkling delight of a story! Whisperers, water sprites, spellbinders and faery-cross stitch; this book is brimming with bright new magic. just perfect.' Karen Foxlee, author of *A Most Magical Girl* and *Ophelia and the Marvellous Boy*. 'Jaclyn Moriarty charms, thrills and delights in this delightfully unpredictable, unique and modern novel, while also brilliantly evoking echoes of classic children's authors like Diana Wynne Jones and...
