

Mechanized Juggernaut or Military Anachronism: Horses and the German Army of World War II

Filesize: 9.62 MB

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

(Mariela Stroman)

MECHANIZED JUGGERNAUT OR MILITARY ANACHRONISM: HORSES AND THE GERMAN ARMY OF WORLD WAR II

[DOWNLOAD](#)

Stackpole Books. Paperback. Book Condition: new. BRAND NEW, Mechanized Juggernaut or Military Anachronism: Horses and the German Army of World War II, Robert L. DiNardo, This book provides an unusual, myth-busting approach to the German Army in World War II. It shows how horses were employed and how Germany acquired many of its horses from conquered countries. One of the great misconceptions about World War II is the notion that the German Army was a marvel of mechanical efficiency, combining lightning speed with awesome military power. However, despite the frightening strength of the panzer forces, about 75 percent of the German Army relied on horses for transport. Horses played a role in every German campaign, from the blitzkrieg in Poland in 1939 and the invasion of Russia to France in 1944. Even the epic tank battle at Kursk witnessed the use of these animals. DiNardo offers a compelling reconsideration of the German war machine.
