Kane was faced with making a choice, and each came with a consequence that would wreck him forever. Kane never believed in things like fate or karma. Not until the night he took a life. Within the human world is a secret society of immortals and gifted supernaturals. Kane is one of them--a Sensor who experiences emotional energy through touch. But despite his good looks and easy-going personality, Kane lives a solitary life. Unlike other Sensors, he is unnaturally hypersensitive. Touch brings pain.
