TORCHWOOD - 1.3 FORGOTTEN LIVES

CD-Audio. Book Condition: New. Not Signed; The hit BBC series is back! Big Finish create a new series of stories featuring the characters of the internationally-successful Doctor Who spin-off! It has been four years since the Miracle, and Gwen and Rhys's lives have gone back to normal, very normal. They're raising their daughter (they've got pictures they'd be only too happy to show you), they're living in a nice house, and they're almost on top of the laundry. Captain Jack Harkness has been missing from the world and their lives for a long time. But late one night the phone rings, and they're summoned to an isolated part of North Wales. The Bryn Offa Nursing Home contains a dark secret, an alien threat, and someone who really shouldn't be there. Gwen and Rhys are about to discover that Torchwood stays with you for the rest of your life. The huge, and long-running, public interest in new Torchwood adventures resulted in a server melt-down when this series' return on audio was announced by star John Barrowman on his Sunday night radio slot. Eve Myles was originally introduced to Doctor Who fans in the Christopher Eccleston story The Unquiet Dead, before being chosen to co-lead the spin-off series Torchwood in 2006. iC* Producer James Goss wrote several best-selling Torchwood hardback books, and most recently launched his novel Haterz, looking at social media personalities. This is the third of a much-anticipated set of six stories running monthly until April 2016. Interest has been so significant that a second series already been greenlit, starting a month later. CAST: Eve Myles (Gwen Cooper), Kai Owen (Rhys Williams), Philip Bond (Griffith), Valmai Jones (Eluned), Sean Carlsen (Gary), Emma Reeves (Ceri). book.
