Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From Jungle to Java is a classic Malaysian travel text by Arthur Keyser. Mr. X., whose impressions and mild adventures I have undertaken the task of editing, has asked me to narrow his personal introduction to such limits as is consistent with the courtesy due to my readers, if haply I find any. He prefers, as his pseudonym implies, to remain an unknown quantity. I need only explain that he is an officer employed in one of the small States of the Malay Peninsula, which are (very much) under the protection of the Colonial Government of the Straits Settlements.
