Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.After successfully completing a special assignment, a young street-wise cop was recruited by what he thought was a government agency. He realized too late that he had been duped by a group of mercenaries privately funded by the government for covert operations. The assignment leads him to an old high school buddy who is a freelance photojournalist that had been kidnapped by a terrorist group in the jungles of Surinam, a small country in South America.
