SNES Collector's Guide

By Michelfeit, Thomas

Condition: New. Publisher/Verlag: Feiler | Der Preisführer für eure Super Nintendo Spiele-Sammlung. Mit über 500 Spielen! | The 1990s what a time! Eurodance, XXL shirts, Vodka Ahoi and gaming until you drop. The most precious thing found in every kids room made from best pine veneers of course was the Super Nintendo. Whoever owned one was all of a sudden most popular amongst their friends. But the times passed quickly new games, faster consoles and advanced graphics made most people quickly forget Super Nintendo. However, today this system is as present as rarely ever before. Ever since a few years, a collectors scene has been thriving and makes the prices especially for games reach breathtaking levels. With SNES Collector s Guide 2014 we provide you with the first pricing guide that informs you realistic market prices regarding your games. No matter if you are collector, retro fan or a nostalgic this pricing guide will certainly be good for a surprise! | With SNES Collectors Guide you are provided with the first printed pricing guide for Super Nintendo games. An increasing number of games enthusiasts, retro fans and nostalgics have established a vibrant collectors scene throughout the past years. However, so...

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
