*This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a true story that tells of a poignant experience of a Chicago Public Schools teacher who passively, but sympathetically, observed the abuse of a fellow teacher for months. Then one eventful day, through fate, she becomes a witness to a ruse to arrest the teacher. The teacher asks her to call a friend. While ascertaining the friend's phone number, the witness is also arrested. Both teachers are later exploited by a corrupt legal system that secondarily fostered the outlandish intent of a school system and police department. Through boundless perils of anguish and injustice, the writer becomes more determined to be heard through pen.
