THE MIRROR MAKES NO SENSE

AuthorHouse. Paperback. Condition: New. 92 pages. Dimensions: 8.9in. x 5.8in. x 0.2in. The Mirror Makes No Sense is a true story of a young mans journey. This is no ordinary man, Mark Angelo Cummings was born biologically a female. He brings the readers into his life, sharing his emotions, trials and tribulations. This book has something for everyone. He will make you laugh, cry and get you to think about your own feelings, towards many controversial subjects. Mark is a spiritual and God loving man. He wants to create awareness of the much needed unconditional love in our world. Marks question to you is, are you happy with the reflection you see in the mirror If the answer is yes, then you can feel really blessed, because for some of us though, the mirror makes no sense. Being transsexual is not a sin, a crime, nor deviant behavior. It is however, a birth defect, created at 8 weeks gestation, where the brain and the body failed to communicate. Because of this birth defect there are hate crimes, suicides, family break ups, and overall bigotry amongst religious groups. He hopes you take something from his work, but most of all he prays you open up your hearts and minds, and realize, we are all Gods children too. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
