As they play detective and try to find out who buried the chest and what its strange content means, they meet up with a tall, mysterious woman in a turban and soon find out that they are playing a dangerous game, one that threatens to bury them alive in a grave of their own digging. An Amazon reviewer says Madame Charmaine is about the inherent magic of being 12 years old and experiencing adventures that contain a hint of danger. It is an excellent story for children at or near that age. Scroll up and grab a copy today.
