Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Military and political leadership failed Americans. A year went by and the unethical experiments continued. The military denied help and law enforcement was not informed or equipped to investigate. Providing the Governor and the President with ready forces in support of state and federal authorities at home and abroad is the public mission statement of the Texas Military Department. Yet, people were worried and Texas was marked as hostile territory over a year prior. When local and national news reported on Jade Helm 15, the official narrative explained how Special Operations military exercises were to take place across seven states from July to September 2015. Where were the drills on private property and how was the military Mastering the Human Domain? News writers and pundits mocked while others feared tanks and troops with guns. Meanwhile, United States Army Special Operations Command planned unconventional warfare exercises that proved to be an invisible high-tech civil war brought to the minds of the citizenry. This book reveals the letter to the Governor of Texas - a request for help - that uncovered one technology consultant's first-hand nightmarish account of the Jade Helm 15 and UWEX 16 military events that continued long after news reporters in the media (and even the President of the United States) sarcastically declared them over. You will uncover the answers to. What civil rights and liberties of individuals were infringed upon? How can the government use technology to sabotage decision makers? How were trade secrets, intellectual property, and strategies for hedge funds stolen by alleged employees of a major defense contractor for systems they lease to the military and intelligence organizations? What was the daily life...
