Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1921 edition. Excerpt: .census of market distributors--dealers in raw materials, commission merchants, wholesalers, and retailers. 1 BANKING AND FINANCE In even greater degree than other business organizations banks and investment houses depend in their operation upon current internal statistics--accounts, records of branch offices, records of salesmen, etc. They depend equally upon statistics of the entire financial world and commodity market. Since banks provide credit 1Melvin T. Copeland, Business Statistics, 1917. for the production and transportation of commodities, they must know definitely the immediate facts concerning capital, credit, exchanges, prices, domestic and international, stocks and bonds, the relation of prices in stocks to the prices of raw material, savings statistics. They must have equally definite and immediate information in regard to the economic status of basic industries, and marketing conditions. In discussing the financial statistician at the first meeting of the American Association of Financial Statisticians in 1917, the...
