

Paramedic: On the Front Lines of Medicine (Paperback)

Filesize: 8.49 MB

Reviews

This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.

PARAMEDIC: ON THE FRONT LINES OF MEDICINE (PAPERBACK)

[DOWNLOAD](#)

Random House USA Inc, United States, 1998. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Peter Canning shocked his family and friends when he gave up a successful career as a speechwriter for the governor of Connecticut to become a paramedic. Making his way through a rigorous training period, overcoming his self-doubts and fear of making fatal mistakes, Canning went from a life of privilege to the life-and-death reality of the streets. In Paramedic, Canning relives the nerve-racking seconds that can mean the difference between a patient's death and survival, as he struggles - sometimes in the face of a hostile crowd or the glare of TV cameras - to make the right call, dispense the right medication, or keep a patient's heart beating long enough to reach the hospital.
