

An Primary Geography on the Basis of the Object Method of Instrucion (Classic Reprint)

By Fordyce an Allen

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Primary Geography on the Basis of the Object Method of Instrucion The preparation of the following pages involved a consideration of the learner s mental capacity, of the means of developing his understanding and reasoning power, and of the manner of using those means. The task was undertaken with a knowledge of its difficulties. It has been completed with a degree only of satisfaction. But I have endeavored to follow the teachings of nature and the dictates of philosophy by the light of experience. With lively perceptive faculties and active inquisitiveness, the young learner naturally commences to study by observing the simple things which attract his attention. He begins to study Geography by viewing the landscape, - its waters, its trees, its rocks, or its hills, the animals that enliven or the structures that adorn it. The interest excited and sustained proves that this kind of exercise is what the infant mind craves as pleasure and needs as nutriment. Natural objects, the most effective means of imparting knowledge, are peculiarly adapted for the illustration...
