Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Author s Note Through years of research I ve collected over 400 two-chord songs. This collection represents the cream of the crop; 157 songs in a single volume. Why two-chord songs? I spend a lot of time teaching people to play the ukulele, and two-chord songs are great for a lot of things: Introducing basic chord pairs Hammering the transition between those pairs Teaching chord relationships Training the ear to hear these relationships Gaining practice in transposing songs A feeling of accomplishment for beginners A jumping off point for intermediate players to begin embellishing chords A blank slate for advanced players to begin working on chord substitutions and arranging A safe place for players of all levels to jam So, whether you re new to the uke or a veteran player, this book is for you. Enjoy! TITAN M a.k.a. M. Ryan Taylor of Contents: Alphabetical A Poor Wayfaring Man of Grief Ah, Poor Bird Are Ye Sleeping Maggie?
