Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Set in the not-too-distant future a 15-year-old boy named Jonathan Edwards and his dad Mike, a scientist with archeological interest, embarks on a routine flight over Africa. Through bizarre circumstances, Jon and his dad get separated in the treacherous uninhabitable jungle in the northern parts of the Congo when their plane goes down. Together with a handful of survivors they end up in a small ancient tribal village, where the people believe that a series of unusual and unexpected killings by jungle animals are directly related to the presence of the intruders and their only solution for a cure thereof lies in the demise of the strangers. Jon, his dad, and the other survivors are subjected to life-threatening dangers, the least of which is the unexpected appearance of what was believed to be an extinct species related to the dinosaur era. The local tribe does not provide any support or solution to our friend s misfortune, on the contrary. Now, it s all up to the Edwards boys to craft an escape from what seems to be a sure death of the ill-fated party.
