

No Bad Weather-Winter (Paperback)

By Ana Gaxiola

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Twenty-three years; the only constant thing in my life has been the ever-changing seasons. The seasons do not choose what happens to them, they just change; and I have related to that all my life. I have learned to adapt to the changes surrounding me. I strive to be neutral in every situation I encounter. I remind myself that spring wouldn't be as enjoyable if winter wasn't so cold. The first cool breeze of autumn wouldn't be as refreshing without the summer's heat. All weather is necessary, all challenges are necessary. No bad weather - Winter, is the first of 4 books. Empowerment, self-love, trauma, loss and heartbreak. This, and the next three books hold my story. My journey of losing and finding, taking and giving, breaking and being broken. There is a reason you have found this book. I hope you open up the pages and find yourself in the lines.
