(PAPERBACK) book.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Texas Hold em is the most popular form of poker in the world today and hundreds of thousands, if not millions, of dollars change hands because of it at tables all around the world each day. While basic skills can keep you from losing your shirt, and maybe even see your turning a profit from time to time, if you hope to really improve your game then you need to understand the math behind the it and build a solid strategy from there. If you are looking for a way to stop simply playing Hold em and are ready to start mastering it then Poker Strategy and Maths is the book you have been waiting for. Texas Hold em is a numbers game and if you don t know what numbers matter and why, you are going to be at a significant disadvantage every time you sit down at a table. That s why this book starts from the top, breaking down things like probability, pot odds, equity, expected value, combinatorics and more in a step by step fashion to ensure that the takeaway is something that you can use every time you play a hand. What s more, you will also find numerous different strategies that can be utilized by players of all skill levels to ensure that no matter what level your game is currently at, you will find something that will help you improve, hand by hand and game by game. Excelling at Texas Hold em is a skill which means that like any other skill it is only ever going to improve with practice. Poker Strategy and Maths gives you the tools you need to maximize your overall...
