LECTIONARY WORSHIP AIDS: SERIES IV, CYCLE B

CSS Publishing Company, United States, 2008. Paperback. Book Condition: New. Revised ed.. 221 x 145 mm. Language: English . Brand New Book. What an asset! Imagine having a person on your staff doing weekly research on thematic materials for worship. What a time-saver to be able to turn quickly to suggested calls to worship, prayers, and hymns appropriate for the lectionary Sunday. Jim Wilson's book of resources is like having him on your staff. Sharp, to the point, thematic, clear. Richard B. Wilke Author of DISCIPLE Bible Study series Former bishop, Arkansas Conference, United Methodist Church While a congregation's order of worship often remains consistent from week to week, its various components need to be continually refreshed and made relevant to the day's scripture readings. The resources in this one-volume library provide pastors and worship leaders with maximum flexibility in designing services -- worship can be focused on the same lesson the sermon is based on, emphasis can be placed on another passage, or elements from all the lectionary texts can be combined for balance and unity. There are responsive calls to worship, collects, prayers of confession, and three suggested hymns based on each lectionary text (First Lesson, Second Lesson, and Gospel) for every Sunday of the year in Cycle B, along with additional non-lectionary days such as the Fourth of July, Worldwide Communion Sunday, All Saints Day, and Thanksgiving Day. A convenient scripture index is also included, making this volume one of the most useful and necessary worship references in any pastor's library. You'll appreciate Wilson's thematic organization of the service, and the blending of worship elements: the call to worship, collect, confession, and hymns. Your secretary will appreciate the consistency in space requirements of the various service elements. These worship aids are...
