Arcadia Publishing (SC), United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Hollywood has long exerted an international influence on the global imagination. In the first half of the 20th century, Chinese American actors who aspired to a career in Hollywood found their opportunities limited to roles that propagated Asian stereotypes. Meanwhile, many Chinese roles were given to non-Asian actors playing yellowface. It has been a long, hard road for Chinese in Hollywood who have striven to build meaningful careers behind and in front of the camera. This book focuses on the contributions of Chinese and Chinese Americans to the film and television industries as well as those who lived and worked in the Hollywood area. Vintage photographs celebrate pioneers such as Anna May Wong, Tyrus Wong, Milton Quon, James Wong Howe, and many more. From the silent film era to the present, the history of Chinese in Hollywood will surpass 100 years.
