Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****. Walter Scott s novel The Black Dwarf was part of his Tales of My Landlord, 1st series, published along with Old Mortality on 2 December 1816 by William Blackwood, Edinburgh, and John Murray, London. Originally the four volumes of the series were to tell separate stories, but Old Mortality came to occupy three of them. The story is set just after the Union of Scotland and England (1707), in the Liddesdale hills of the Scottish Borders, familiar to Scott from his work collecting ballads for The Minstrelsy of the Scottish Border. The main character is based on David Ritchie, whom Scott met in the autumn of 1797. In the tale, the dwarf is Sir Edward Mauley, a hermit regarded by the locals as being in league with the Devil, who becomes embroiled in a complex tale of love, revenge, betrayal, Jacobite schemes and a threatened forced marriage. Scott began the novel well, but tired of the ground I had trode so often before. I quarrelled with my story, bungled up a conclusion. Critics and public found it poor in comparison with its popular companion Old Mortality. One of the harshest reviews was in the Quarterly Review, written anonymously by Scott himself. The introduction to The Black Dwarf attributes the work to Jedediah Cleishbotham, whom Scott had invented as a fictional editor of the Landlord series. It is here that we have the most complete view of this character.
