SHIRE BOYS JEFF HEATH (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Jeff Grayson lives a simple life in the Tweed Shire. He has his bike, his beloved animals, and works where and when he wants so he can afford to do renos on his humble home. Something is missing, though, or more to the point, someone, and he doesn't care whether they're Arthur, or Martha, or both. Heath Fraser is lonely too, pretty much having given up on finding his One in the dating puddle of the Tweed. He just works hard at his job as an ER nurse, with the occasional hook-ups and bad dates to keep his hopes of settling down alive. Sometimes people come into your life right when you're ready for them, and you know from the very first meeting of eyes that they're who you've been waiting for. But what happens when your strong belief in justice could destroy everything, and leave you right back where you started, empty and alone, but this time with your heart shattered into pieces. Welcome to the second book of the Shire Boys series, where things have heated up on the Tweed, and love is bound to make its mark on you.
