# Tasting the Universe: People Who See Colors in Words and Rainbows in Symphonies: A Spiritual and Scientific Exploration of Synesthesia (Paperback)

By Maureen Seaberg

Career Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. When I spoke of my impressions as a child, I quickly learned that my perceptions were not common; in fact, they were strange. Like many synesthetes around the world, I learned to keep them to myself. Thus I m grateful for the present day climate of inquiry into and wonder about this nearly forgotten gift. And while traditional medicine has always fascinated me, and research on this topic is currently burgeoning around the world, I knew I must also call on consciousness experts. As someone who lived inside the experience, I knew that anatomy alone did not, could not, hold all the answers. The beauty of the individual testimonies in this book is that they are the subjects truths as only someone who knows the gift intimately can speak about it; many of them are speaking at length about it for the first time. Their words about such an ineffable experience have helped me find my own. --Maureen Seaberg in Tasting the Universe A violinist sees a scarlet form when he plays a certain note; a rock star sees waves of blue and green as she...
