

Dividends: Pros, Cons, Sources and Strategies (Paperback)

By Devin Hobbes

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Aren t you tired of all the talking heads on TV screaming for you to buy! buy! buy! and sell! sell! sell! the same stocks day in and day out? Aren t you tired of all the self-important commentators telling you that it s a trader s market ? You should be. They ve been screaming the same thing for decades, all to their audience s detriment. It s common sense, really. If your retirement hinges on stock prices going up, you are not investing. You re hoping. You re gambling. You might as well add baseball cards and comic books to your nest egg. Or go to Vegas. At least there the odds are pure and you ll have a good time losing your money. Companies have no more control over their share prices than you do. Some years they are up, some years they are down, but only rarely, if ever, do they reflect the underlying business. If you re relying on capital gains to fund your retirement and there s a stock market crash, that means you can t...
