SEXUAL INVERSION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a new edition of Sexual Inversion, originally published in 1915 by F. A. Davis Company, Publishers, of Philadelphia. Part of the project Immortal Literature Series of classic literature, this is a new edition of the classic work published in 1915-not a facsimile reprint. Obvious typographical errors have been carefully corrected and the entire text has been reset and redesigned by Pen House Editions to enhance readability, while respecting the original edition. Sexual Inversion was the first English medical textbook on the topic of homosexuality. The book became a part of Ellis s six-volume Studies in the Psychology of Sex. Havelock Ellis and John Addington Symonds agreed to collaborate on a new study that would combine Symonds s historical analysis on homosexuality with Ellis s experience with medical and scientific theory. Symonds died in 1893 before the book was concluded. Sexual Inversion was first published in German in 1896 (Leipzig, by Georg H. Wigand s Verlag) entitled Das Kontrare Geschlechtsgefuhl, under Havelock Ellis and John Addington Symonds. Ellis further revised the text and edited several of Symonds s contributions, with almost every page being rewritten or enlarged. This is the third edition. About the Author: Born in Surrey, England, in 1859, Havelock Ellis was considered by the overwhelming majority of critics as the best translator of Germinal, Emile Zolas masterpiece. Ellis was a social activist, a physician and a psychologist, whose best-known works concern sexuality and criminology. In 1890 he published The Criminal, a remarkable work on criminal anthropology; in the same year he wrote The New Spirit, a collection of literary essays on Diderot, Heine, Whitman, Ibsen, and Tolstoi, and Ellis s attempt to synthesise science and...
