Inner Traditions Bear and Company, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Fulfilling sex nourishes love, rejuvenates the body, and boosts mental health. Unfortunately, prevailing attitudes in the West work against the natural capacity of women to realize their sexual potential and experience deep orgasmic states. *Tantric Orgasm for Women* offers women a fresh look at the ecstatic bliss possible within their bodies, using knowledge and approaches from the sensually cultivated traditions of the East. Exploring Tantra from the female perspective, Diana Richardson reveals the critical role receptive feminine energy plays in allowing orgasmic states to arise. Her 20 years of tantric research and personal experience provide readers with an understanding of how the various parts of the female body may be activated to deepen ecstatic states. Readers will learn how to re-circulate orgasmic energy; why breast stimulation takes priority over vaginal attention; the difference between soft penetration and deep sustained penetration, including how to avoid premature male ejaculation; and how women can strengthen the erection response of male partners. *Tantric Orgasm for Women* shows how women can exert a powerful influence on their sexual experiences when they understand the inner workings of their bodies and when they avoid adopting conventional ideas about what should be satisfying to them.
