Handbook of the Antiquities in the Naples Museum: According to the New Arrangement; With Three Plans and Historical Sketch of the Building and an Appendix Relative to Pompeii and Herculaneum (Classic Reprint)

By Pomenico Monaco

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Handbook of the Antiquities in the Naples Museum According to the New Arrangement; With Three Plans and Historical Sketch of the Building and an Appendix Relative to Pompeii and Herculaneum is a publication printed by the Naples Museum covering the extensive collection curated and held at the Museum. This book is an irreplaceable resource for anyone interested in the Naples Museum itself, or a reader looking for an in-depth discussion of the myriad of items housed in the museum archives and exhibits. The Naples Museum has a long history of housing invaluable relics and antiques, including a vast exhibition of fine arts, classical jewelry and cultural pieces. This book begins with an intricate historical sketch of the museum, including the many changes brought about by Italian political leaders, national disasters, and a detailed description of the museum layout and its changes over the generations. The handbook describes the entire collection housed at the museum, floor by floor, including those items that are in storage, waiting to be restored and displayed again. Intended for students exploring the...
