## LITTLE BOOK OF STRATEGIC NEGOTIATION: NEGOTIATING DURING TURBULENT TIMES (PAPERBACK)

GOOD BOOKS, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. When negotiating an unstable situation where most of the fundamental factors are in uproarious change, one needs more than basic negotiating techniques. This book lays out steps for managing the complexities around negotiations in unstable settings. From an expert in the field. Most books on negotiation assume that the negotiators are in a stable setting. But what about those far thornier times when negotiation needs to happen while other fundamental factors are in uproarious change-- deciding which parent will have custody of their child while a divorce is underway; bargaining between workers and management during the course of a merger and downsizing; or establishing a new government as a civil war winds down. From Docherty's experiences in environmental/public policy negotiations and community development work. A title in The Little Books of Justice and Peacebuilding Series.
