Sigma Press. Paperback. Book Condition: new. BRAND NEW, A Walking Guide to the County Tops of Wales, the North of England and the Isle of Man, Howard Mann, There are many hill walking challenges in England and Wales, they include visiting the top of every one of the Lake District peaks or the summits of all the mountains over 2000 feet, but the one that is accessible to all, is to stand on the high point of a county or several counties. It is the option that is closest to home. Be it one of the historic counties or one of those which was created by the major local government reforms of 1974 and 1996, The County Tops of Wales, the North of England and the Isle of Man, offers the casual walker a route to the summit of their chosen county and the committed hill walker challenges in some of the finest mountain terrain in the United Kingdom. Each chapter contains a brief history of the county, its geography and its high point and a detailed description and outline map of the route.
