*Very good eBook and valuable one. Better than never, though I am quite late in starting to read this one. I am very easily satisfied and possibly get a satisfaction of reading through a created publication.*

AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As the title indicates; Divine Journey: Exploring the Baha i Faith, takes one on a guided tour of the Baha i Faith and its teachings. While not intended to proselytize (Baha is strictly forbidden to do so) it seeks to gently share with those who are interested in learning about the Baha i Faith what it means to be a Baha i and to live a Baha i life via an exploration of some of the central teachings of that religion on love, peace, world unity, the purpose of life, life after death, and race unity and the elimination of prejudice. The book explores the implications and applications of the teachings of the Baha i Faith and how they relate to the individual on a personal level and to society and the world on a global level, while examining the reciprocal relationship between them. Permeating the book is the cardinal teaching of the Baha i Faith, that being the essential oneness of humanity and our spiritual transformation as lovers of the diversity that beautifies our human family. It is the ultimate aim of the book to illustrate that, to be true, this spiritual transformation must manifest itself in loving fellowship and service to humanity.
