Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When rodeo bronc rider Jackson Walker's father passes away, he's shocked to find he's not the only son of Dusty Walker. His dad had three other families at compass points around the country. When a stipulation in Dusty's will requires him to live in his dad's house and work at his company for one week, Jackson heads to Red Creek, Kansas to get it over with, so he can get the hell back to his regularly scheduled life. Computer engineer Rori Hughes needs to solidify her position in Dusty's company, but the only one of his four sons available is Jackson, and Rori has a mighty low opinion of rodeo cowboys. Finding inconsistencies in the computer files, Rori and Jackson work together to solve the mystery, but their constant contact fires a red-hot desire that burns wild between them. Spending their days at Dusty's opulent lakeside home, and their nights together making love, they both ignore the warning signs that point to their attraction becoming more than merely sexual. Jackson's time in Red Creek is coming to an end, but can he follow his original plan and leave town, breaking away from smart, beautiful, sexy Rori?.
