The cleek is used when the distance is too short for a brassie, or when there is some obstacle in the way that necessitates a lofting shot. The mashie is used to get out of trouble, to play short shots, and to Fig. 123.--Finish of drive. approach the green from short distances. The putter is used when on or almost on the green, to put the ball into the hole. This at first appears the easiest part of the game, but it is in reality the most difficult. The person who can put can beat the world, as some Scotchman once remarked. Like all games, there is a right and wrong way of playing every shot, and how important it is to begin in the right way! I know this to my sorrow, for I began wrong myself, and spent four years Fig. 125.-Top of swing. Cleek shot. trJing to learn (with only partial success) the faults I acquired in the first six months. No two persons play alike, but they all start with the same foundation. It reminds me of learning to write. All are given the same copy-book, and all peg away diligently until a little confidence is felt, and then each branches out with a style quite her own. So it is with golf. After the rudiments are learned, it is a...
