Gulf War Vets: The Richest of Resources: How American Business Can Help the Most Educated, Highest Skilled Military Ever Re-Enter the

By Kathleen O Beauchesne

Outskirts Press, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. We are now poised as a country either to repeat the mistakes of the Vietnam era or to create the services and supports that our returning veterans deserve. This research focuses on the importance of using an integrated change management approach to bring together the civilian, corporate, and military communities to support veterans of the Global War on Terror, specifically those veterans who served in Iraq and Afghanistan. Using force field analysis methodology and original survey research, the study includes a review of the current literature on Gulf War Era veterans in the areas of the labor market, diversity, employee assistance, human resources (HR), behavioral health, disability, and career management. Survey respondents, a selected sample of highly placed officials in corporations, higher education, and the military, identified nine forces they believe have a large impact on change in corporate policies, practices, and programs related to the employment, engagement in productive work, and retention and advancement of veterans. The survey respondents also identified the seven factors they believe are most important in effecting a change in corporations...
