## CLINICAL ENDOCRINOLOGY

Scion Publishing Ltd. Paperback. Condition: new. BRAND NEW, Clinical Endocrinology, Saffron A. Whitehead, John Miell, From reviews: "Clinical Endocrinology is very well written and beautifully illustrated." Lancet Diabetes Endocrinology, January 2013 "All in all this is an excellent, essential textbook which does the job admirably in terms of synthesising the essence of human physiology and excreting a patient-centred approach to addressing the clinical manifestations of endocrine hypo- and hyper-function. The Endocrinologist, December 2013 "This book would appeal particularly to medical students or endocrinologists in training.[It] provides a useful review of endocrinology in a comprehensive manner starting from basic science principles and ending with clinical applications." The authors, one a scientist and the other a clinician, guide you through the complexities of physiology and biochemistry so that you can understand the nature and management of endocrine pathologies....
