Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Wouldn't it be great if money is the one thing you never argue about? Home Finances for Couples is a great help for a partner in a relationship, who wants to manage the family finances efficiently, move toward meeting the shared financial goals and live in financial peace with no money issues. This book will explain the basics of home budgeting in a simple manner, as there are no complicated financial terms to be afraid of. Ideally, both partners in a relationship should read this, but even one is enough to make a difference. Home Finances for Couples contains 10 main chapters along with interviews, practical exercises, links to the best American and Canadian personal finance bloggers, visual illustrations and graphs. After reading Home Finances for Couples, you will accomplish at least 80 of the following: - Give the financial health of your relationship a checkup - Understand the fundamental values of marriage finances - Learn how to discuss money problems with your spouse (or partner in relationship) - Learn family budgeting and create (or improve) household budget - Choose and apply one of the three major techniques for managing a monthly budget - Save money by cutting unnecessary expenses - Make the management of your family's money time efficient - Set (or update) shared financial goals - Learn budgeting tips and saving from real couples who are managing their money well - Get inspired to achieve financial success for your family (that's the hardest one to promise)! Readers need to know what will not be in this book: - A philosophy of money and love - How to earn a lot of money and become...
