Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Part narrative, part business book; Architect + Entrepreneur is filled with contemporary, relevant, fresh tips and advice, from a seasoned professional architect building a new business. The guide advocates novel strategies and tools that merge entrepreneurship with the practice of architecture and interior design. The Problem: Embarking on a new business venture is intimidating; you have questions. But many of the resources available to help entrepreneur architects and interior designers start their design business lack timeliness and relevance. Most are geared toward building colossal firms like SOM and Gensler using outdated methods and old business models. If you re an individual or small team contemplating starting a design business, this is your field guide; crafted to inspire action. The Solution: Using the lean startup methodology to create a minimum viable product, the handbook encourages successive small wins that support a broader vision enabling one to, think big, start small, and learn fast. It s a unique take on design practice viewed through the lens of entrepreneurship and is designed to answer the questions all new business owners face, from the rote to the existential. Questions about: -Startup costs -Business models (old and new) -Marriage of business and design -Mindset -Branding naming (exercises and ideas) -Internet marketing strategies -Passive income ideas -Setting your fee -Taxes -Standard Operating Procedures (SOPs) -Securing the work -Client relations -Software -Billing rates -Contracts Building a business isn t a singular act; it s a series of small steps. Using the outline found in Architect + Entrepreneur you can start today. The chapters are organized to guide you from idea to action. Rather than write a business plan you ll be challenged...
