Justice For over five hundred years, Flint has served as Fire, aiding Earth's environment and its people as one of four Elementals. Yet only once in his long existence has he been burned. A flaming redhead ignites the embers of his heart, but he finds her resistant to the heat building between them. Illumination Knowing she must fulfill her destiny, Violet travels to her home in Ireland, accompanied by the fiery Elemental. Not fooled by his charms and brazen demeanor, Violet wishes only to shield him from the coming battle, but can't deny the flames of desire flickering when she is at his side. Love While standing together against unrelenting adversaries, false friends, family betrayals, and an underlying seed of darkness, they must burn bright, or the ruthless power behind the ancient spell will turn everything to ash.
