Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.

ROOKIE NOIR: 12 SHORT STORIES ABOUT 2 SHORT DETECTIVES

Juggled Words Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Every large city has its dark alleys, run down warehouses, and dens of dubious virtue. A city s skyline, landscape and neighborhoods are but the basic colors of a much more interesting tapestry of life. Woven within it all are its citizens who add to the vibrancy of a city on the move, and give music and voice to its life. But the shrill off-key notes of a life of crime that make you grip your head in desperation of humanity doesn t begin in dark alleys, abandoned warehouses and dimly lit street corners. No! It happens at recess in elementary school. And many times, it s a Catholic elementary school. Rookie Noir begins in the 1959-60 school year, and two 8 year old gumshoes know that the Baltimore City Police don t have time to investigate crimes that occur right before their lunch break, and the Franciscan nuns at the Shrine of the Large Flower School are outnumbered. It s up to David and Mark to stop the wannabe jailbirds, aspiring hoods and fumbling ginks in their going-to-hell-at-any-cost fervor of shady dealing in baseball cards and comic books, shooting spitballs in class, and teasing the dickens out of dames. Those crimes won t make the headlines in The Baltimore Sun, or The News American but if David and Mark don t act now, you ll read about really bad crimes in the local newspaper soon, maybe not today, maybe not tomorrow, but soon.
