Join them on a mission to discover the mystery of how Martin s mum ended up with green, baggy knickers on her washing line and how together they averted World War Three! Sizzling, green fungus sends special agent Snodgrass into space with maggots wriggling from his toes. His companion, Martin Ashworth, gets sucked into the conspiracy as a spooky visit from the wild girl throws him into a tailspin. Before long a sinister ice cream vendor lures him into a trap and Martin discovers that the icy sweetness of bubble gum ice cream does more than just slip down his throat. It causes some very cold wind to whizz up his underpants and he is taken on an action packed adventure to Level Nimbustion! A humorous, fantasy spy thriller for all adventurers everywhere! Excellent material for adults to read to youngsters whilst having a discussion about their ideas of how to reconcile differences.
