# CONDUCTING POLYMERS OF DERIVATIVES OF HENNA

Sanjay Gaikwad  
Charushila Gaikwad  
Conducting Polymers of  
Derivatives of Henna  
polymers of 1,4-Naphthalenediones

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | polymers of 1,4-Naphthalenediones | The research work presented in this book deals with the synthesis of condensed polymers from the naturally occurring pigment. It will be unique polymer and it may involve in the electronic applications because it is conducting polymer. These polymers were synthesized by chemical method and characterized by some analytical methods. The PLPA and PLPAS shows conducting nature, while PLMA and PLMAS are insulators polymers. These polymers may have...

## Reviews

---

*This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.*

-- **Prof. Flo Cruickshank DDS**

*The book is not difficult in read through better to recognize. It really is writer in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication i actually have read in my individual daily life and may be he best book for possibly.*

-- **Valerie Heaney**
