Alaska Northwest Books. Paperback. Book Condition: New. Paperback. 224 pages. Thunder on the Tundra recounts the story of the most unusual high school football team in the United States, the Barrow Whalers. This human-interest sports story is so remarkable that it has been featured on ABC News Nightline, ESPN, YouTube, news and sports Web sites, and print publications throughout the nation. The Whalers are the only football team above the Arctic Circle: 330 north to be exact, a place with no grass, no trees, and plenty of permafrost. Of the 44 Eskimo, Tongan, Samoan, Asian-American, African-American and Caucasian teenagers who signed up for this experiment, only four had ever played organized football before. Seasoned journalist Lew Freedman captures this inspiring story. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
