Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Brother Juniper comic strip was syndicated in newspapers for thirty years and, at its peak, ran in more than 150 dailies world-wide. The comic, created by a seventy-one-year member of the Secular Franciscan Order, received an unprecedented cross-cultural response and was the only religious-themed comic strip to garner international syndication. The Brother Juniper Rejuvenation Project has done pixel-level remastering of the eight-book series using the highest caliber archival materials in order to present Brother Juniper with a degree of quality never before seen. Also, the Extended Editions supply readers with a breadth of supplementary content that traditional paper publishers are unable to produce. The creator, Father Justin Fred McCarthy sums up the timeless appeal of Brother Juniper: Take someone from the Middle Ages, put him in a modern setting and you have something funny right there. He s Catholic with a small c . He s always trying to help people but always slipping on a banana peel. Characters like Brother Juniper, and Charlie Brown, lose the battle but win the war.
