## LOVE SPEAKS: A COLLECTION OF POEMS (PART 1) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is what I think poetry is, an honest celebration of life in all its forms and representations, with no apologies for such acknowledgment but nevertheless having hope for the best, always. In this particular Book (Part 1), I focus mostly on my personal experiences, emotions, interpretations of events as I understood them; an honest reflection of my thoughts, as they were. I apply simplicity in the presentation of this book. Hopefully, the poems themselves transcend beyond the simple, clean pages.
