Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nikolai Gogol -Viy- is a horror novella by the Russian writer Nikolai Gogol, first published in the first volume of his collection of tales entitled *Mirgorod* (1835). The title is also the name of the demonic entity central to the plot. Every summer, there is usually a large procession of all the students moving around the area as they travel home. However, the group is reduced to three students, the theologian Khaliava, the philosopher Khoma Brut, and the rhetorician Tibery Gorobets. As the night draws in, the students hope to find a village near the main road where they can find some rest and food. However, they become lost in the wilderness, eventually coming upon two small houses and a farm. An old woman there tells them she has a little room and cannot accommodate any more travelers, but she eventually agrees to let them stay.
