Excerpt: . in 1886 the Somers tracts in 30 folio volumes, containing some of the rarest Americana in the finest state, fetched only 61. There is no class in the world who in one respect more implicitly obey the Scriptural injunction, Look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged, than the Americans. Fortunately they are in a position to pay for it. For many years past American collectors have been draining England of rare books and manuscripts, and more particularly of works relating to British genealogy and county history. The changes which inevitably occur in every line of life, intellectual and material, are also extended to book-collecting, and extended in a very marked and significant manner. The old loves have to a certain extent been abandoned, and the new generation has gone in heavily...
