Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Truly great poetry is like catching that piece of light in your hand . . . poetry that stops the world. This is the poetry of The Girl With the Letter Flower by Orlando Murcia. In the New Age Renaissance style, Poet Murcia is a magician of high romance with flying majesty. The imagery is rich and full, with allusions to exotic tropical places, rare drinks, the beauty of the body, music, Biblical images, nature in oceans, forests, seashells, skies all wrapped in the cosmos, the heavenly bodies of planets and stars. He compares his lover to a country, it is love as dynasty, as if the possession of orange groves under blue sky, he holds the world in his hands. The poetry is life as magic. The use of the English language is original, I suspect Poet Murcia s first language is Spanish, when he writes poetry the English language becomes fresh in a mysterious lilt, beautiful and haunting within the background of Spanish lace. The work is peppered with the occasional Spanish language phrase creating exotic ambiance. The Girl With the Letter Flower is a love affair This Writer never wanted to end, it soars amongst the night skies of hot Summer, the brightest star. Something every africanado of poetry lives for, the discovery of the new and brilliant, intoxicating erotic poetry in New Age Renaissance Republique witchcraft, The Girl With the Letter Flower by Orlando Murcia.
