Kessinger Publishing, United States, 2010. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a facsimile reprint and may contain imperfections such as marks, notations, marginalia and flawed pages. My teaching began at last. When I entered the class-room and stepped upon the platform for the first time, I felt somewhat strange. While lecturing, I wondered if a fellow like me could keep up the profession of public instructor. The students were noisy. Once in a while, they would holler Teacher! Teacher, --it was going some. I had been calling others teacher every day so far, in the school of physics, but in calling others teacher and being called one, there is a wide gap of difference. It made me feel as if some one was tickling my soles. I am not a sneakish fellow, nor a coward; only--it s a pity--I lack audacity. ***** Print on Demand *****.
