Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Nature of Beyond is a visual and textual foray by artist and writer exploring the nature of beyond and its varying degrees between dream and reality. Through juxtaposing artwork with poem, the journey begins with the simple haiku of a single bird singing and how his simple song affects the world and finishing with the essay of a mysterious package at the local post office emitting small chirps calling from beyond. It is the hope of the artist and the writer to guide your search through these pages to find your own personal nature of beyond. Wherever it leads and whatever the discovery, may you enjoy the journey.
